Unique

After spending a focus token, you may place that token on any other friendly ship at Range 1-2 (instead of discarding it).

Garven Dreis/X-Wing (26)

R2-D6 (1)

- Your upgrade bar gains the upgrade icon. You cannot equip this upgrade if you already have the icon or your pilot skill is "2" or lower.

Wingman (2)

- At the start of the Combat phase, remove 1 stress token from another friendly ship at Range 1.

Dagger Squadron Pilot #1

26 points

Dagger Squadron Pilot/B-Wing (24)

Flechette Cannon (2)

- Attack: Attack 1 ship. If this attack hits, the defender suffers 1 damage and, if the defender is not stressed, it also receives 1 stress token. Then cancel all dice results. Range: 1-3. Attack value: 3.

Dagger Squadron Pilot #2

27 points

Dagger Squadron Pilot/B-Wing (24)

B-Wing/E2 (1)

- Your upgrade bar gains the icon.

Tactician (2)

- After you perform an attack against a ship inside your firing arc at Range 2, that ship receives 1 stress token.

Red Squadron Pilot

28 points

Red Squadron Pilot/X-Wing (23)

-  R3-A2 (2)
 - When you declare the target of your attack, if the defender is inside your firing arc, you may receive 1 stress token to cause the defender to receive 1 stress token.
-  Stealth Device (3)
 - Increase your agility value by 1. If you are hit by an attack, discard this card.
